Enabling Mobility as a Service: Traficom's perspective

Johanna Juusela

October 7th, 2019

Traficom is a responsible and reforming expert of transport and communications

Towards seamless and multimodal travel chains

- ▶ Act on Transport Services
- ▶ Most parts of the Act entered into force in July 2018
- ▶ Traficom has made first decisions
- ▶ Application of the Act requires new processes and innovative thinking

Essential data concerning mobility services

Interoperability of ticket and payment systems

Authorisation to act on behalf of another party

Codes of practice help to prepare new agreements

- ▶ Recommendations for good practices in agreements and cooperation between service providers
- ▶ First version was published in December 2017
 - ▶ A new more comprehensive version in the pipeline

Thank you!
